

A globe of the Earth is centered in the frame, surrounded by a crown of water droplets. The background is a deep blue gradient, and the water droplets are illuminated, creating a sense of freshness and global connectivity. The globe shows continents in green and yellow, with white clouds. The water droplets are arranged in a circular pattern around the globe, with some droplets appearing to be in motion, splashing upwards.

A globe of Earth is centered in the upper half of the frame, surrounded by a crown of water droplets. The background is a deep blue gradient with some light blue highlights. The globe shows continents in green and yellow, and oceans in blue. The water droplets are clear and glistening, with some showing internal reflections. The overall composition is symmetrical and visually striking.
